We assist you!

We provide free counseling for migrants.

What we can do for you:

We can help you with your questions, connect you with the relevant organizations, and guide you as you get started. Like for example ...

- **Where can I get support in dealing with the public authorities?**
- **What are my prospects for permanent residency?**
- **Where can I find a language course?**
- **How do I find work/training positions?**
- **How do I register my child (birth, Kindergarten, School)?**
- **What medical care am I entitled to?**
- **How do I protect myself from homelessness?**
- **General information**

The state program ‚Kommunales Integrationsmanagement‘ (KIM) is implemented in the regional support centers. This is where case managers from the Municipality of Duisburg and the welfare associations provide advice on a wide range of topics.
